

## Test Case: UC1 | Feature awareness | All - DBCT-76 !

- **Design Accuracy**
  - A new container should be displayed at the bottom of the page which should be above the footer
  - The container should have three row
    - Heading
    - Subtitle
    - Paragraph text
    - Image
  - The columns should be one after another on mobile
  - The counter needs to have a curved background image
  - Padding and margin should reflect the design
- **Text and Fonts:** The font size and colors need to match the design
- **Form Validation**
  - Input field can't be blank. A validation message should be displayed
  - The phone number can't be longer or shorter than 10 digits, a validation should display
  -
